# PA730
## Rugged Mobile Computer

More durable and more powerful than the competition, the Verizon Certified PA730 is equipped to handle your toughest jobs. Operating on the Android 7.0 (6.0 option available) operating system, this rugged workhorse delivers speed and accuracy in a compact body. This pocketable device works well for a wide array of applications such as retail, warehousing, hospitality, event ticketing, and asset management.

### See Clearer.
A spacious 5"display gives you plenty of screen real estate and full HD resolution delivers crystal clear images and text.

### Shoot Better.
The PA730 features the industry's highest megapixel camera in the industry at 16MP, ensuring the sharpest photos.

### Work Tougher.
The Unitech PA730 offers its highest rated protection yet with an IP65 and IP67 rating to shield it from water, dust, and other foreign materials. It is built to survive drops of up to 6 feet and engineered with an easily graspable and sturdy design.

### Roam Freer.
This mobile computer is outfitted with a host of wireless features to suit difficult and changing environments. WLAN 802.11 a/b/g/n/ac/d/h/i/r bands give you fast roaming while Bluetooth, NFC, and GPS connects you to data fast.

### Charge Faster.
The PA730 climbs to full battery 4 times faster than conventional charging and a hot swappable battery provides up to 30 minutes of backup memory.
